**ENGRO POLYMER & CHEMICALS LIMITED
DIRECTORS' REVIEW TO THE SHAREHOLDERS
ON UNAUDITED CONSOLIDATED CONDENSED INTERIM FINANCIAL INFORMATION
FOR THE PERIOD ENDED MARCH 31, 2014**

On behalf of the Board of Directors of Engro Polymer & Chemicals Limited, we would like to present the unaudited Financial Information of the Company for the three months ended March 31, 2014.

Business Review

During 1st quarter 2014, domestic PVC market witnessed a slowdown. The overall demand remained depressed due to carried forward inventory from last year, continued uncertainty regarding exchange rates and PVC prices. Domestic Caustic Soda market witnessed long supplies due to which the prices remained under pressure.

During the quarter, the Company sold 25 kilo tons of PVC in the domestic market which is 27% lower than same period last year. The Company exported 4.6 kilo tons compared to 1.9 kilo tons last year. The Company sold 22 kilo tons of Caustic Soda during the quarter as compared to 25 kilo tons in 1Q 2013. During the quarter the Company also sold 4.5 kilo tons Sodium Hypochlorite and 4.8 kilo tons of HCL.

The overall dip in sales volumes restricted the revenues to Rs. 5,367 million which was 8.8% lower compared to last year. The slide in overall revenues along with margin compression impacted the bottom line earnings, however, gain on foreign exchange liabilities provided support to the overall profitability. The Company posted Profit After Tax (PAT) of Rs. 148 million compared to Rs. 263 million last year. The Earnings per Share for 1Q 2014 stood at Rs. 0.22 per share as compared to Rs. 0.4 per share in 1Q 2013.

PVC resin production during 1Q 2014 was 33 kilo tons which was almost in line with the production during the same period last year. Vinyl Chloride Monomer (VCM) plant produced 33 kilo ton in 1Q 2014 which is 17.5% lower compared to same period last year due to operational issues at the plant. Caustic Soda production during 1Q 2014 was 25.9 kilo tons as against 27.9 kilo tons during same period last year.

The Company continued to maintain its focus on safe operations. The Company is preparing to conduct external audit for Occupational Health & Industrial Hygiene (OHIH) to align its management system with DuPont OHIH Management System. The Company has initiated work on the centralization of audits for its safety, quality and environmental parameters through an Integrated Management System (IMS).

Near Future Outlook

Domestic market of PVC in 2Q 2014 is expected to remain uncertain on account of volatility of exchange rates while the margins on PVC will remain under pressure due to high feed stock prices and slow global demand. The Domestic demand and prices of Caustic Soda, in 2Q 2014, are expected to remain under pressure due to high inventory situation. Furthermore, any abrupt rise in domestic natural gas prices could be a possible challenge during next quarter.

The Company plans to complete the second phase of PVC debottlenecking in 2Q 2014 which will increase PVC production capacity by 15 kilo tons per annum. This capacity enhancement will allow the Company to convert its surplus VCM into PVC, which will result in better margins for the Company.

11 TAXES RECOVERABLE

11.1 Tax Year 2008

The Deputy Commissioner Inland Revenue (DCIR) through the order dated November 26, 2009 raised a tax demand of Rs. 213,172. The demand arose as a result of additions on account of trading liabilities of Rs. 47,582 under section 34(5) of the Income Tax Ordinance, 2001 (the Ordinance); disallowance of provision for retirement benefits of Rs. 5,899; adding imputed interest on loans to employees and executives of Rs. 16,069 to income; disallowing finance cost of Rs. 134,414 and not considering adjustment of minimum tax paid for tax years 2004 to 2007 against the above demand.

The Company filed an appeal against the aforesaid order before the Commissioner Inland Revenue Appeals [CIR(A)], but discharged the entire demand through adjustment against assessed refunds of Rs. 180,768 and paying the balance of Rs. 32,404 'under protest'.

During 2011, through appellate order, the CIR(A) maintained certain additions aggregating Rs. 189,810 including finance cost amounting to Rs. 134,414 and remanded back the issue of imputed interest on loans to employees and executives and directed the DCIR to allow credit of the minimum tax charged for the period of tax years 2004 to 2007. An appeal against the said appellate order was filed by the Company before the Appellate Tribunal Inland Revenue (ATIR). The department also filed an appeal against the said appellate order challenging the actions of the CIR(A).

Subsequently, during the year 2013, the ATIR issued an order whereby the aforementioned appeal was disposed off by accepting Company's position except for additions on account of trading liabilities to the extent of Rs. 20,280 and minimum turnover tax for tax years 2004 and 2007 to the extent of Rs. 19,692 and Rs. 7,300 respectively, which were maintained.

The Company has filed a reference to the High Court of Sindh against the additions maintained by ATIR. The management of the Company, based on the advice of its tax consultant, is confident that the ultimate outcome of the aforementioned matters would be favorable and consequently has not recognized the effects for the same in these financial statements.

11.2 Tax Year 2009

The DCIR through his order dated November 30, 2010 raised a tax demand of Rs. 163,206. The demand arose as a result of disallowing finance cost of Rs. 457,282; additions to income of trading liabilities of Rs. 21,859 under section 34(5) of the Ordinance; disallowing provision for retirement benefits of Rs. 14,239; disallowing provision against Special Excise Duty refundable of Rs. 36,689; adding imputed interest on loans to employees and executives of Rs. 20,599 and not considering net loss.

(Amounts in thousand)

The entire demand of Rs. 163,206 was adjusted against assessed tax refunds and an appeal was filed by the Company before the CIR(A).

In 2011, through an appellate order, the CIR(A) maintained certain additions aggregating to Rs. 493,971 including disallowance of finance cost amounting to Rs. 457,282 and remanded back the issue of imputed interest on loans to employees and executives. An appeal against the said appellate order was filed before the ATIR. The department also filed an appeal against the said appellate order challenging the action of CIR(A) deleting the addition on account of provision for the retirement benefits.

Subsequently, during the year 2013, the ATIR issued an order whereby the aforementioned appeal was disposed off by accepting Company's position except for additions on account of SED provision of Rs. 36,689 and imputed interest on loans to employees and executives to the extent of Rs. 17,430, which were maintained.

The Company has filed a reference to the High Court of Sindh against the additions maintained by ATIR. The management of the Company, based on the advice of its tax consultant, is confident that the ultimate outcome of the aforementioned matters would be favorable and consequently has not recognized the effects for the same in these financial statements.

18 PROVISION

18.1 Provision for Gas Infrastructure Development Cess (GIDC)

Under the Gas Infrastructure Development Cess Act, 2011, the Government of Pakistan levied Gas Infrastructure Development Cess (GIDC) on gas bills at the rate of Rs.13 per MMBTU on all industrial consumers. The Federal Government then revised GIDC rate from Rs. 13 per MMBTU to Rs. 50 per MMBTU by issuing notification under OGRA Ordinance 2002. The Company therefore filed a Suit before the Honorable High Court of Sindh which granted an ad-interim stay on March 5, 2013 in the favor of the Company. The Stay Order restrained the Sui Southern Gas Company Limited from charging any amount of GIDC over and above Rs. 13 per MMBTU till the final decision of this matter. Effective from January 1, 2014 the GIDC rate has been enhanced to Rs. 100 per MMBTU.

The Company is confident that the aforementioned matter will be decided in its favor, however, based on prudence the Company has recorded a provision of Rs. 284,768 (December 31, 2013: Rs. 174,522) being the financial exposure of differential GIDC as at March 31, 2014.

18.2 Provision for duty on import of raw materials

In 2009, the Company received a letter from the Assistant Collector (Survey) Large Taxpayers Unit regarding the utilization of raw materials imported under SRO 565(I)/2006 on a concessionary basis from customs duty. The letter alleged that the Company had violated the provisions of the SRO by utilizing the concessionary imports in manufacturing and selling the intermediary product Ethylene Di Chloride (EDC) rather than its utilization in the production of the final product Poly Vinyl Chloride (PVC). The Company responded to the letter explaining its view that imports under the said SRO were allowable for 'PVC Manufacturing Industry' as a whole, which includes manufacturing of intermediary products. However, the tax department has shown its disagreement with the Company's view and has demanded further information, to which the Company has responded.

Although, no formal order creating a demand has yet been received by the Company, however, based on prudence, a provision amounting to Rs. 90,418 (December 31, 2013: Rs. 90,418) in respect of custom duty on such raw materials has been made.

19 COMMITMENTS

19.1 The aggregate facility of performance guarantees issued by banks on behalf of the Company as at March 31, 2014 amounts to Rs. 1,598,000 (December 31, 2013: Rs. 1,598,000). The amount utilized at March 31, 2014 is Rs. 946,859 (December 31, 2013: Rs. 946,859).

11 TAXES RECOVERABLE

11.1 Tax Year 2008

The Deputy Commissioner Inland Revenue (DCIR) through the order dated November 26, 2009 raised a tax demand of Rs. 213,172. The demand arose as a result of additions on account of trading liabilities of Rs. 47,582 under section 34(5) of the Income Tax Ordinance, 2001 (the Ordinance); disallowance of provision for retirement benefits of Rs. 5,899; adding imputed interest on loans to employees and executives of Rs. 16,069 to income; disallowing finance cost of Rs. 134,414 and not considering adjustment of minimum tax paid for tax years 2004 to 2007 against the above demand.

The Company filed an appeal against the aforesaid order before the Commissioner Inland Revenue Appeals [CIR(A)], but discharged the entire demand through adjustment against assessed refunds of Rs. 180,768 and paying the balance of Rs. 32,404 'under protest'.

During 2011, through appellate order, the CIR(A) maintained certain additions aggregating Rs. 189,810 including finance cost amounting to Rs. 134,414 and remanded back the issue of imputed interest on loans to employees and executives and directed the DCIR to allow credit of the minimum tax charged for the period of tax years 2004 to 2007. An appeal against the said appellate order was filed by the Company before the Appellate Tribunal Inland Revenue (ATIR). The department also filed an appeal against the said appellate order challenging the actions of the CIR(A).

Subsequently, during the year 2013, the ATIR issued an order whereby the aforementioned appeal was disposed off by accepting Company's position except for additions on account of trading liabilities to the extent of Rs. 20,280 and minimum turnover tax for tax years 2004 and 2007 to the extent of Rs. 19,692 and Rs. 7,300 respectively, which were maintained.

The Company has filed a reference to the High Court of Sindh against the additions maintained by ATIR. The management of the Company, based on the advice of its tax consultant, is confident that the ultimate outcome of the aforementioned matters would be favorable and consequently has not recognized the effects for the same in these financial statements.

11.2 Tax Year 2009

The DCIR through his order dated November 30, 2010 raised a tax demand of Rs. 163,206. The demand arose as a result of disallowing finance cost of Rs. 457,282; additions to income of trading liabilities of Rs. 21,859 under section 34(5) of the Ordinance; disallowing provision for retirement benefits of Rs. 14,239; disallowing provision against Special Excise Duty refundable of Rs. 36,689; adding imputed interest on loans to employees and executives of Rs. 20,599 and not considering net loss.

(Amounts in thousand)

The entire demand of Rs. 163,206 was adjusted against assessed tax refunds and an appeal was filed by the Company before the CIR(A).

In 2011, through an appellate order, the CIR(A) maintained certain additions aggregating to Rs. 493,971 including disallowance of finance cost amounting to Rs. 457,282 and remanded back the issue of imputed interest on loans to employees and executives. An appeal against the said appellate order was filed before the ATIR. The department also filed an appeal against the said appellate order challenging the action of CIR(A) deleting the addition on account of provision for the retirement benefits.

Subsequently, during the year 2013, the ATIR issued an order whereby the aforementioned appeal was disposed off by accepting Company's position except for additions on account of SED provision of Rs. 36,689 and imputed interest on loans to employees and executives to the extent of Rs. 17,430, which were maintained.

The Company has filed a reference to the High Court of Sindh against the additions maintained by ATIR. The management of the Company, based on the advice of its tax consultant, is confident that the ultimate outcome of the aforementioned matters would be favorable and consequently has not recognized the effects for the same in these financial statements.

18 PROVISION

18.1 Provision for Gas Infrastructure Development Cess (GIDC)

Under the Gas Infrastructure Development Cess Act, 2011, the Government of Pakistan levied Gas Infrastructure Development Cess (GIDC) on gas bills at the rate of Rs.13 per MMBTU on all industrial consumers. The Federal Government then revised GIDC rate from Rs. 13 per MMBTU to Rs. 50 per MMBTU by issuing notification under OGRA Ordinance 2002. The Company therefore filed a Suit before the Honorable High Court of Sindh which granted an ad-interim stay on March 5, 2013 in the favor of the Company. The Stay Order restrained the Sui Southern Gas Company Limited from charging any amount of GIDC over and above Rs. 13 per MMBTU till the final decision of this matter. Effective from January 1, 2014 the GIDC rate has been enhanced to Rs. 100 per MMBTU.

The Company is confident that the aforementioned matter will be decided in its favor, however, based on prudence the Company has recorded a provision of Rs. 284,768 (December 31, 2013: Rs. 174,522) being the financial exposure of differential GIDC as at March 31, 2014.

18.2 Provision for duty on import of raw materials

In 2009, the Company received a letter from the Assistant Collector (Survey) Large Taxpayers Unit regarding the utilization of raw materials imported under SRO 565(I)/2006 on a concessionary basis from customs duty. The letter alleged that the Company had violated the provisions of the SRO by utilizing the concessionary imports in manufacturing and selling the intermediary product Ethylene Di Chloride (EDC) rather than its utilization in the production of the final product Poly Vinyl Chloride (PVC). The Company responded to the letter explaining its view that imports under the said SRO were allowable for 'PVC Manufacturing Industry' as a whole, which includes manufacturing of intermediary products. However, the tax department has shown its disagreement with the Company's view and has demanded further information, to which the Company has responded.

Although, no formal order creating a demand has yet been received by the Company, however, based on prudence, a provision amounting to Rs. 90,418 (December 31, 2013: Rs. 90,418) in respect of custom duty on such raw materials has been made.

19 COMMITMENTS

19.1 The aggregate facility of performance guarantees issued by banks on behalf of the Company as at March 31, 2014 amounts to Rs. 1,165,000 (December 31, 2013: Rs. 1,165,000). The amount utilized at March 31, 2014 is Rs. 946,859 (December 31, 2013: Rs. 946,859).
